Saints Music Supporters

Music Camp Scholarship

The Saints Music Supporters have established a scholarship for music students in grades 7 to 12, currently enrolled in St. Ansgar Community Schools. Applicants must submit a letter of application detailing the type of camp and its cost to the Saints Music Supporter's Board. We will set aside \$500 each year to fund these requests. Scholarships will be awarded as follows. Camps costing \$250 or more will receive a \$50 scholarship. Camps costing \$249 or less will receive a \$25 scholarship. A student may be awarded only one scholarship per year. Please contact a Music Supporters Board member if you have any questions.

**Thank you for your
ongoing encouragement
and generous
contributions to the
St. Ansgar Schools Music
Department and the
Saints Music Supporters.
Together we will continue
to build upon the high
standards of our district's
musical performing arts.**

SAINTS MUSIC SUPPORTERS

Mission Statement

The Saints Music Supporters serve the St. Ansgar Community School by promoting and enriching the vocal and instrumental opportunities and experiences of our students.

Who We Are

The Saints Music Supporter members-at-large are the parents, guardians, families and school community of our current music students. We all support our children in their musical activities and encourage their growth and development through them. Voting members are those who make an annual financial contribution to the organization.
